I want a copy or your price for a copy of the docket sheets in your case VFASEY v PERRY 2:13 cv 193-NGR.

I am the interested party pro se with notice (I got orders) suggesting a limited voting 2nd ballot for the Texas State House with candidates paying a filing deposit to get on the limited voting ballot in their own and 2-4 add'l districts.

Trial started Sep 2 and was expected to last about two weeks with follow up in San Antonio. I want to go to San Antonio but don't know yet. My last docket sheets for 2:13 cv 193 were Feb 11 14.

Voters who like the party primary winners may omit the limited voting ballot but those who don't may omit the general election. The time is Ripe Now, but if the Court won't endorse and enable a limited voting ballot for 2014 it may in 2016 or later.

PNBCC still won't sell unstamped envelopes at the commissary.

I wrote to about 20 attorney members of the Missouri legislature about limited voting for the Texas State House. I believe limited voting as a 2nd ballot is a usefull idea.

I want to come to San Antonio. I am the interested party  
pro se with notice (I got orders) in VEASEY v PERRY 2:13cv193  
suggesting a limited voting 2nd ballot for the Texas State  
House with candidates paying a filing deposit to get on the  
limited voting ballot in their own and 2-4 add'l districts.  
Trial was set for Sep 2 in Corpus Christi. I didn't attend.  
Voters who like the party primary winners may ignore the  
limited voting 2nd ballot but voters who don't may ignore  
the general election. THE TIME IS RIPE.

There is still time for special procedures for a special 2nd  
ballot. A more robust effort can be made in 2016.

Docs 127 thru 129 in RODRIGUEZ v HARRIS CO TX 4:11 cv 2907-VDG

I did not lure the then 12-year old neighbor boy who came up  
to me about 2 blocks from my apartment and asked if I had  
some money before I gave him 30¢ and about six boys and girls  
taunted me and threw stones. I did not videotape neighbor  
boys who felt me up and said the cameras didn't work.
